BEN DAVID MEARS, WEST ALEXANDRIA, OH

CHAD CLAUSSEN - 563-349-5089

Study her pedigree — sired by the original BBR Memphis Mafia, a proven sire of elite show heifers and record-high-selling cattle nationwide. Her dam, BPF Miss Valentine 545B, had a limited show career, yet in just three outings was named Champion Maine Anjou two out of three times. Even more impressive, her flush-mate sister was Reserve Grand Champion at the American Royal and went on to be named AMAA Reserve Show Heifer of the Year for Beeking Cattle of South Dakota. Beyond the backdrop, the production record of 545B speaks volumes. Her eight daughters have averaged just under \$10,000, while her steers by Monopoly and Here I Am have been consistently solid, commanding prices from \$5,000 to \$8,000. Her most notable daughter 2120 commanded \$24,500 was a class winner at Denver and now is in the donor pens at Mosburger Cattle in Kansas. Study her picture — 511N's look and side profile are undeniable. Big-time presence, big-ring style, and the kind of show heifer look that has the potential to dominate an early summer division.

BEESON CATTLE CO, KINGSLEY, IA - 712-898-1002

These flushmate sisters are out of a rising star donor - UDE Black Thunder 5H. Just in her first years of production she has exceeded expectations, with both steer and heifer progeny ringing the bell. This heifer has the look, maternal feature, bone, and good shape. We think she will have the potential to have a very successful show career, and even more potential as a donor.
